Philips
Slim sleeve

for iPad

DLN1714

Protect your iPad in style

with a slim, double-layered case

Soft neoprene is coupled with luxurious leatherette for a polished, professional look. The smooth, durable leatherette has a padded lining – double protection for the glass display without unnecessary bulk. Secure envelope-style closure.

Protection on the go

- Padded neoprene case for soft yet strong protection
- Durable leatherette with a soft interior lining
- Carrying case works on its own or fits into your bag

Smart design

- Envelope-style case with secure Velcro closure

PHILIPS

Highlights

Carrying case fits in a bag
Carry your device in the case for protection on the go, or use it for an added layer of protection inside your bag or backpack.

Durable, lined leatherette
The smooth, durable leatherette features a soft, padded neoprene lining, providing double the protection for your device without unnecessary bulk.

Envelope-style case
The envelope-style with Velcro closure is designed to keep your device securely inside the case with a slim, sophisticated look.
